

Derbyshire LGBT+

FUNDRAISING PACK

THANK YOU!

For over 40 years, we have been there for the LGBT+ community of Derbyshire as a vital lifeline & source of support.

We receive no statutory support from local councils or the government so we need to work especially hard to raise the funds to continue our support services.

By fundraising for us, you are ensuring that we can continue our vital work so from myself and the whole team, we want to say thank you!

This booklet will contain everything you need in order to run a successful fundraising event for us. So be sure to have fun and let us know how it goes.

What we do

Group/1-1 Support

We offer social/emotional support to those most in need, whether this is through a group setting or on a one-to-one basis. Our groups aim to tackle the increased sense of loneliness and isolation amongst LGBT+ people.

Youth Support

We are very proud of our youth services, which offers much needed support for LGBT+ people under the age of 18. Our youth groups provide a safe space for young people to truly be themselves and our youth one-to-one services ensures that young LGBT+ people have the mental health support that they need.

Training/Accreditation

We offer numerous training/consultation sessions for organisations that want to become more LGBT+ affirmative. We also have an accreditation scheme of organisations that make a commitment to ongoing LGBT+ training.

& much more!

This is just small glimpse of the vital work that we do.

What your funds do

£50

Fundraising Ideas

'Spill The Tea'

We host our community cafe days once a week at both of our centres so why not host your own? A fun coffee morning where people can get together, have some cake and spill some serious tea! (Not literally, we've got to keep health and safety in mind)

Rainbow Walk/Run

Why not get a group of people together, wear your brightest clothes and have a rainbow walk/run?! This is a great way of building community and making sure you get those steps in!

Dress-up Day

Remember how fun non-uniform days used to be at school? Why not bring that into the workplace but with a touch of fabulousness?! You could dress as gay icons, get dragged up or just wear your most fabulous outfits!

Fundraising Ideas

Bake Sale

Ready, set, BAKE! A bake sale is a great way of fundraising and for brushing up on those baking skills.

Sports Day

Eggs and spoons at the ready, why not hold a community sports day? This a fun way of getting people together, having some fun and playing on people's competitive natures!

Drag Bingo

Get your legs eleven in gear and bring your two little ducks along for an entertaining drag bingo evening! As long as you've got a host with the most, people will be sure to sashay their way to your fundraiser.
